Comic strip title: Rabbit plants carrots

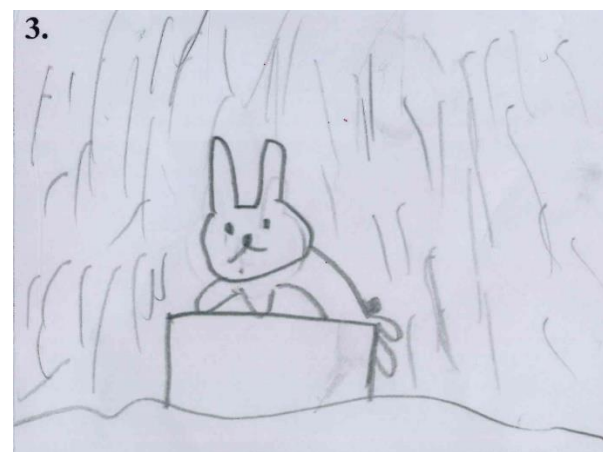

It is a rainy summer. There is a lot of rain in a month. All the soil is wet.

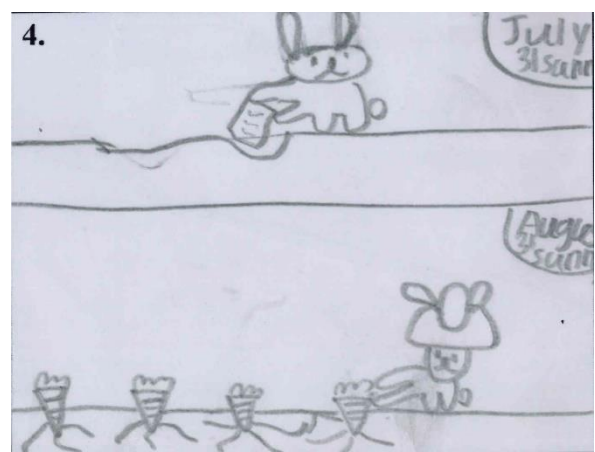

A rabbit has a packet of carrot seeds because he wants to eat carrots.

He wants to plant the carrots but the soil is too wet. He says, "I can't plant the carrots."

The rabbit has an idea. He put a big box on the wet soil, so the rain can't go into the soil.

Two days later, it is sunny! The rabbit puts some carrot seeds in it. After one month, the seeds become carrots. The rabbit is very happy.
