

The farmer and the white dove

Once upon a time, there was a small village. In the small village, there was a farmer, he was poor, he never had a lot of money, but he was glad.

One day, the farmer saw a white dove, it was injured. He thought, the white dove was so poor!

He helped the white dove to get better, and the white dove flew away.

The next day, the farmer just finished his farm work. Suddenly, the white dove came back, it took the farmer's hat away, he chased the bird down to the forest. Suddenly, the farmer's house was hit by a huge stone running down from the mountain. The farmer said, 'Thank you!'

This story told us to keep a grateful heart everywhere.
