

Theme 4: SOW an Optimistic Mind

Where there's a will, there's a way

Struggled for Survival

Once upon a time, there was a girl called Alex and a boy called Zach. They were poor. They had no money, no home and no shelter. They were hopeless.

One day, Zach and Alex went looking for useful resources. Zach found some stones and a rope. Alex found a stick and a bunch of leaves. They used the leaves to make some clothes and they used the stick and the stones to make an axe. They also used the rope to make the axe more sturdy. Then, they went hunting for animals. Suddenly, Zach shouted excitedly “Look! There is a swarm of hogs! They see us!” Zach hid in a bush but Alex was not scared. She was brave. Alex swung the axe and killed all the hogs and grabbed the meat. They went back to the shelter. Zach grabbed some sticks and made a campfire. Alex made roasted hog meat. Now they had a shelter, some food, and a campfire to make them warm. They knew how to survive and they lived happily ever after.
