

## Comic strip title: Home is the Best Place Ever!

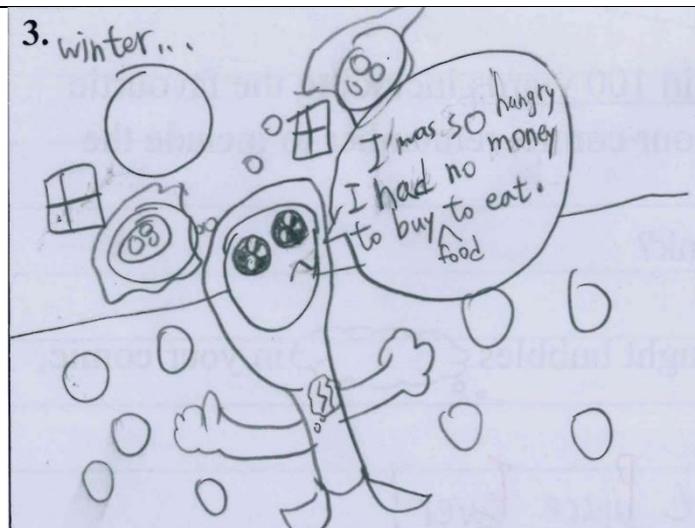

Do you know where is the best place to stay? Home is the place full of love and energy!

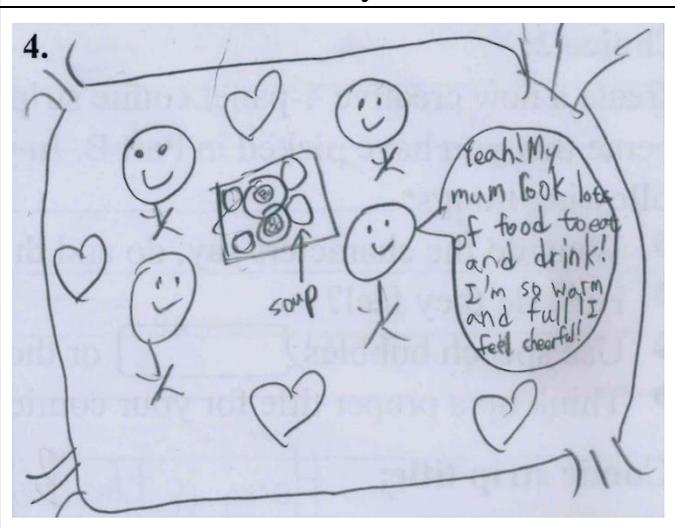

One day, the weather was so cold. The leaves were falling down. Although I wore a thick coat, I still felt cold.

After a while, I was walking nearby the home when I saw many people feeling cheerful and excited. Suddenly, my heart was broken. I felt lonely.

Suddenly, the snow dropped to my head and fell to my mouth and fell to my mouth. My tummy sounded. I was so hungry and I had no money to buy food to eat.

I went back home and saw my dad and mum who had cooked the meals already. I thanked delightfully that I was warm and full now. I was over the moon!
